5. REGION MANAGEMENT

The Region Board has the authority to make decisions and take actions relevant to the management and operation of the Region, subject to and in accordance with the provisions of these bylaws, the bylaws of the CBC PNA, and the Federal Not-for-Profit Act.

5.1. Policies, Rules and Regulations

The Region Directors may establish policies, rules and regulations relating to the management and operations of the Region as they deem necessary. These must be consistent with the Bylaws and policies of the CBC PNA. They are subject to approval by the National Board of The CBC PNA, and must be communicated to members.

5.2. Executive Committee

The Executive Committee shall meet as often as required to deal with the affairs of the Region between meetings of the Board. At least three (3) of the Officers must be present to constitute quorum.

5.3. Other Committees

The Region Directors may establish committees to further the goals of the PNA. Region committees must include at least one member of the Region Board, either as a committee member or as a primary contact for the committee, and may include non-Board members. Committees will be populated by agreement of the Region Board. Efforts should be made to include newer members to encourage their involvement in the PNA.

The Region President, by virtue of office, may sit on any Region committee. The President may also delegate another Board member to represent the President.

6. PROCEEDINGS OF THE REGION BOARD

The Region Board of Directors will meet as frequently as necessary, but not fewer than four (4) times annually, at the request of the Region President or the majority of the Region Directors.

The date, time and place of any meeting shall either be indicated in a notice of meeting or determined at the end of a previous meeting. There must be at least five (5) days' notice given for a meeting of the Board, unless there is an emergency.

6.1. Rules of Order

All meetings of the Region Board will be conducted according to Robert's Rules of Order. Whenever practical, meetings shall be conducted to encourage discussion and attempt to achieve consensus prior to voting. The Chair shall encourage participation by all Board members.

6.2. Quorum

A simple majority of Board members must be present, either in person or by electronic means, at a meeting to constitute quorum.

6.3. Chair of Meetings

The Regional President will chair all meetings of the Region Board. If the Region President is absent, the Region Vice President will chair the meeting. If at any Region Board meeting the Region President or Vice President are not present within fifteen (15) minutes after the time appointed for the meeting, or they request that they not chair the meeting, the Region Directors present shall choose one of their number to chair the meeting.

6.4. Decision Making

Any issue at a meeting of the Region Board may be decided by consensus. If consensus cannot be reached, a motion must be made and seconded, then debated, and put to a vote. A simple majority is required for a motion to pass. A tie vote does not pass.

Any motions concerning the spending of Region funds must be put on the record, and approved by a simple majority vote.

6.5. Procedure for Voting

Voting will be by show of hands. However, any Director may request a secret ballot vote.

Each Region Director is entitled to one (1) vote.

While the Chair has the same voting rights as any other member, the Chair's necessary impartiality is maintained by generally not voting unless doing so would affect the outcome of the vote. For clarity, the Chair may choose to vote to break a tie, or to make a tie which has the effect of causing a motion to fail.

6.6. Absence of Region Secretary

Should the Secretary be absent, the Board members present will appoint a Board member to record the minutes of the meeting.

7.5. Remuneration for Special Projects

It is understood that the PNA is a volunteer organization and is dependent on the principle of volunteerism for the majority of duties and tasks. The Region Board may, however, engage an independent consultant or contractor from time to time, as it deems necessary. The Board will identify a need to be met requiring specific expertise, and will determine appropriate compensation. Any engagement must be consistent with the policies and procedures established by the CBC PNA. Efforts should be made to seek qualified applicants from equity-seeking groups.

The Region Board may also choose, in special cases, to offer an honorarium to a member to recognize PNA work that is outside the normal duties and expectations of volunteers, in terms of workload and/or scope.

The terms of any engagement will be subject to approval by the Region Board.

The Region Board will report on any actions or decisions it makes related to any approved resolutions at the next Annual General Meeting.

9.2. Bylaw Amendments

The Region Board may make, amend, or repeal a bylaw. Any such change requires a two-thirds (2/3) majority of votes cast by Board members at a meeting of the Board. If approved, it shall take effect from the date of the Board decision until the next Annual General Meeting, when it will be presented to the members, and put to a vote. If the change is confirmed at the Annual General Meeting, it remains in effect. If it is rejected, it ceases to be in effect.
